

AYESHA SAEED

Faisalabad, Pakistan | 03021070505 | ayesha18026@gmail.com

SUMMARY

Motivated Frontend Web Developer with hands-on experience in designing and developing responsive, user-friendly web interfaces. Skilled in modern front-end technologies like React.js, Tailwind CSS, and Bootstrap, along with design tools such as Figma and Canva. Eager to apply and enhance technical skills through challenging internship opportunities that combine creativity and coding.

EXPERIENCE

Front-End Intern — (6 Months)

- Designed and implemented responsive and visually appealing web pages.
- Collaborated with team members to improve UI/UX and ensure cross-device compatibility.
- Utilized React.js, Tailwind CSS, and Bootstrap for creating modern, component-based layouts.
- Assisted in debugging, performance improvements, and responsive testing.

EDUCATION

BS Computer Science — Ongoing

MS Computer Science — In Progress

Riphah International University, Faisalabad, Pakistan

Intermediate (Medical) — KIPS College, Faisalabad

Matric (Science) — The Educators Prime Campus, Faisalabad

PROJECTS

- **Masjid App:** Developed an interactive web interface displaying mosque information and announcements.
- **Restaurant Application:** Built a responsive restaurant ordering frontend with HTML, CSS, and Bootstrap.
- **Company Website Frontend:** Designed and implemented the complete company website layout.
- **Chat System (In Progress):** Developing a real-time chat app using React.js for dynamic user interaction.
